

Who runs the union?

You do!

If you're covered under a contract and a member of WFSE/AFSCME, then you belong to a Local.

Local unions are where you exercise your voice.

- WFSE locals elect officers who conduct regular meetings to address the needs of the local membership, including the training and appointment of shop stewards.
- WFSE Locals select delegates and alternates to represent their members on Council 28 Policy Committees.

Learn more about your union - attend a Local Meeting!

Locals Make WFSE/AFSCME Happen!
