

Mileage & Travel Guidelines for 2023 Legislative Events

- 1) **2023 Legislative Session:** LPA will cover the cost of travel (mileage or airfare & rental car-carpooling is highly encouraged when possible) for members coming to Olympia for lobby days and if LPA requests that a member testify at a hearing. The Legislative Session runs from January 9 through April 23, 2023 – 105 days.

Locals are more than welcome to cover overnight costs for their members if they'd like but meals are a local expense as LPA provides breakfast and lunch during the lobby day.

- 2) **Lobbying Training, January 7, 2023:** at the South Seattle Community College, 6000 16th Ave. SW, Brockey A, Seattle 98106: LPA will cover mileage and/or airfare with a rental car (carpooling from airport is required). LPA will not pay for overnight lodging. Locals are welcome to pay for their members to stay overnight and meals are on them. We provide breakfast and lunch.
- 3) **Questions?** Call LPA to discuss any situation not specifically covered above. Lack of resources should never be a barrier to member participation. We're happy to partner with locals whenever possible.
