Dear Washington Federation of State Employees Local Presidents and Secretaries:

We cordially invite you to join us at the Washington Federation of State Employees' 49th Biennial Convention. Convention will begin on Saturday, October 9, 2021, at 9:00am via virtual video conferencing. Convention business will be completed on Sunday, October 10, 2021.

This year's convention theme is ***Solidarity Rising***. Over the past two years, our union has proven that there is nothing we can't accomplish when we rise up in solidarity with one another. WFSE members pulled together to promote the values of public service, social justice, and dignity for all members – all while taking on a global pandemic and an economic recession. Our convention will recognize the adversity we've faced and celebrate our shared victories.

Enclosed is the official Convention Call. The number of delegates to which your local is entitled is enclosed along with the corresponding number of credential forms.

Convention information can be found on the WFSE website. You can also locate portions of the Constitution pertaining to the Convention via this link: <https://www.wfse.org/convention2021>.

The credentials, along with the local union certification for delegates and alternates, must be received at the WFSE Headquarters by **Tuesday, August 10, 2021, 5:00pm**.

The WFSE website is kept up to date with Convention information and materials for your reference. Please utilize this resource as you prepare to join us at Convention in October. If you have any questions, email Convention2021@wfse.org.

Solidarity Rising,
